One of the most beautiful design hotels in the Alps. The reduction affects the design in the madlein ■. Only fine materials such as precious wood, granite stone, cashmere and woollen draperies are used. Luxurious ambience in all areas: **design rooms** – only a large glass panel separates the bed and the bathroom from the outside world. The heart of the hotel is the communicative **cocktail bar** with the **open fireplace** to relax and chill. In the newly renovated restaurant is one of the largest aquariums in Tyrol, surrounded and complemented by glass wine vaults. Relax in our **beauty-spa, fire room** or at the pool and regenerate for a long party night at **Pacha Ischgl** night club or for the next funny ski day.
